

Dear Hiring Manager,

It is my pleasure to highly recommend Clayton Murphy as an excellent Graphic Designer.

I am Diana Keophilavanh, a Market Director at PackPack USA. My company prints custom packaging such as: labels, boxes, bags, etc... When Clayton was a designer at Choice Nutrition, I worked with him directly and oversaw all of the new designs for packaging that were being printed by our company.

During the two years that I have worked with Clayton, he's been one of the easiest designers I have had the pleasure of working with. He is a brilliant designer and his creativity is on an entirely different level. He is one of the very few designers that I have worked with who actually submits projects on time and I have known him to work after hours/weekends to make sure of this. I also liked the fact that he is open to suggestions/critiques although I don't recall having very many.

If you decide to hire Clayton as an addition to your graphic design department, you would be extremely happy with his creativity, productivity and work ethic. If you have any questions or need additional details, please feel free to contact me at 702-444-9210 or email me at [diana@packpackusa.com](mailto:diana@packpackusa.com); I will be more than happy to provide you with those details.

Best Regards,
